

DIY PAPER CACTI

Supplies:

PAPER, EXACTO, GLUE,
PENS/PAINT/MARKERS,
ROUND CONTAINERS,
SAND/MARBLES.

Use pens/paint/markers to make patterns and marks on both sides of sturdy stiff paper. Cut out templates on this page, and trace the shapes onto the decorated paper. Cut out shapes using exacto knife or scissors, and piece together the cacti. Use glue to stabilize the parts if needed. place in containers with sand/marbles, and fun found objects.
