

You've  
=BEEN=  
BOO-ED!

This sweet surprise is called a “boo!”

You'll never know exactly who brought these treats and left unseen to brighten up your Halloween!

It's your turn now, to Boo someone and spread a bit of Autumn fun! Pack up a sign, treats, and gifts, and add a poem, just like this.

Pick two homes you'd like to Boo, but Shhh! Don't let them know it's you! And once they get your gifts and food... They'll know for sure that they've been Boo-ed!
